MT Samat/SBMA Route

This route is without a doubt be a memorable one that will take riders through the scenic winding back roads of Bataan! The actual round trip route will take us from Angeles City to Hermosa, continue south into Bataan past Balanga where we will then take the Mt. Samat turnoff (First Check Point) and continue to the town of Morong and then to the rear entrance of SBMA (Subic Base). We will continue through SBMA and down the end of the Toll way back to A. C., or for Bikes under 400CC they will have to travel the Main gate or Kalayaan gate or the Kalaklan gate and go the Zig zag road back toward Dinalupihan where we will enter onto the National Highway then continue into Dinalupihan and back into Angeles City. Total throttle time is 4 to 6hrs. This is a must ride for riders that have never been on this loop before!

Times and Rules:

Leave (The El Kabayo Horse Festival) at about 9am. Return by no later than 4pm! (This is to prevent riding after dark!). Small bike riders can leave anytime between 7:30-9am. Riders are encouraged to ride at their own pace, take their time, enjoy the route, stop and do whatever they want along the way, just as long as they arrive and check in with the "OFFICIAL CARD COUNTER" at the Finish Point no later than 4pm!

MT. SAMAT/SBMA was chosen for this poker run because of its long scenic winding road, no traffic, it's quiet and peaceful, most anywhere along the route is safe to stop for breaks and/or work on bikes, a lot of out-of-town riders have never had the chance to enjoy this route, etc. You must come see it for yourself!

Leaving from El Kabayo from 7:30 am onwards you will leave Clark through Mabalacat gate heading North. In Capas at the fork in the road the first checkpoint will be at the Caltex Station, here you will collect your second card. From here the ride moves across to Conception before turning South to Magalan and on to Mexico and San Fernando. Heading out on the Bataan/Subic road you will turn right to Porac at Santa Rita. You will get your 3rd card in Porac before heading back to El Kabayo for your 4th and 5th cards.

Riders from Manila and Bulacan will join the ride at Mexico and draw their first card at Porac. The remaining four cards will be drawn at the finish point.

(Checkpoint #1: Caltex Station, Capas.)

(Checkpoint #2: Flying V Station Porac)

(Finish: Final check point The Angeles City Mad Dog Booth at The El Kabayo Horse Festival where you must arrive no later than 4pm!)

Total Kilometers depending on route taken is approximately 102. Also as stated above the average throttle time is 3 to 4 hours to complete the route depending on your bike and travel speed you will travel for your comfort. Let's all have a great day 17th November 2018.

These are Official checkpoint opening/closing times and their locations!

Start: Opens at 07:00am and closes at 4:00pm (Mad Dog Motorcycle Club Area The El Kabayo Horse Festival)

Checkpoint #1: Opens at 07:45am and closes at 10:30pm (Caltex Station Capas)

Checkpoint #2: Opens at 10:00am and closes at 3:00pm (Flying V Station Porac)

Finish: Closes at 4:00pm (The Mad Dog Motorcycle Club Area at the El Kabayo Horse Festival)

NOTE: There's a possibility because we are using multiple decks of cards that someone can end up with "5 of a kind" (example: 5 Aces). So not to complicate things... we will make it "the strongest hand wins" regardless! Five Aces will beat four Aces and Five 2s will beat 4 Aces! And if there's a tie for any position, then the riders that are tied must each draw one card from the deck until their winning positions can be determined (highest card wins the tiebreaker). But the one drawback to using multiple decks of card is that it's possible that someone could have a "straight" going but then they end up with two of the same identical cards, that would break up the "straight" (Example: like a Ten, a Jack, a Queen, and then two Kings of the same suit), that would suck, but that would just be the luck of the draw, **They loose!**

Come Join in on a Fun Day for a great Cause with the Mad Dog Motorcycle Club and ride the 13th Annual Charity Poker Run with us.

Lets have Fun, Enjoy, and MOST OF ALL BE SAFE!!!!
